Dear Man of God:

By now, you may have heard about a group of men who have decided to take an active role in their faith-life, their family-life and their parish life. We are called the Men of St. Joseph and we would like to invite you to our next COURAGEOUS Men's Movie night so that you can join us in our mission of becoming the men God has called each one of us to be!

Although this night is for men only, it will prove to have a positive and profound effect on families! The evening is open to all men who wish to begin a new chapter in their life in an inspiring and memorable way! We challenge you to invite other men: friends, relatives, co-workers and any man who is in need of renewal and recommitment to his faith, family and everyday life. We extend this invitation to your sons or grandsons or other young men at least 16 years of age and older. This event promises to help all men strengthen one another and foster growth in our vocations as husbands, fathers, sons, priests, and single men of faith. YOU are being called upon to have the COURAGE to join us:

DAY - DATE - Time - Location

(A light dinner (optional) will be served: Please RSVP to xxxxx@xxxxx)

Don't miss this amazing faith and life experience! We will be showing you the most widely talked-about Christian film of our time: COURAGEOUS! See excerpts below from the website: www.courageousthemovie.com

Four men, one calling: To serve and protect. As law enforcement officers, Adam Mitchell, Nathan Hayes, David Thomson, and Shane Fuller are confident and focused. Yet at the end of the day, they face a challenge that none of them are truly prepared to tackle: fatherhood.

While they consistently give their best on the job, good enough seems to be all they can muster as dads. But they're quickly discovering that their standard is missing the mark.

When tragedy hits home, these men are left wrestling with their hopes, their fears, their faith, and their fathering. Can a newfound urgency help these dads draw closer to God ... and to their children?

Filled with action-packed police drama, **COURAGEOUS** will have viewers who find themselves laughing, crying, and cheering as they are challenged and inspired by everyday heroes who long to be the kinds of dads that make a lifelong impact on their children.

Protecting the streets is second nature to these men. Raising their children and living in a God-honoring way? That's courageous.

May God bless you and your family,
