

## Finance

To be a member in good standing of the Men of Saint Joseph International, each man in a U.S. chapter is encouraged to donate \$20.00 annually to the MOSJI.

The \$20.00 should be split such that \$10.00 stays in the local MOSJI diocesan chapter organization and \$10.00 goes to the international board based in Gloucester, RI USA

All other countries need to determine a donation value that would be fair and equitable and register the recommended value with the international board. Whatever the country team receives should be split half to the local diocese and half to the country director. The Country Director sends half of what he receives to the international board.

Third world countries should have no charge for the average chapter member.

From the beginning no one has received any salary or gifts from the MOSJI.

With our continued expansion, that needs to change but only to a moderate stipend.

We rely on the generosity of our members and friends to supplement financially the ongoing expenses of MOSJI.
