

Men of Saint Joseph International
218 Paris Irons Rd, Glocester, RI 02814

Men of Saint Joseph International (MOSJI) is a faith-based association of Catholic men committed to a personal relationship with Jesus Christ and open to fellowship with other Catholic men.

Catholic men in good standing with the Catholic Church are allowed to join.
Voluntary annual membership is \$20.00

Membership consists of a seventy-two (72) hour commitment per year.

- Twelve monthly two hour meetings
- One six hour yearly conference
- One yearly forty two hour men's retreat (some flexibility allowed)

The monthly meetings will use the Signposts and/or other approved Catholic materials.

Conference and retreat teachings are subject to MOSJI and the approval of its Central Service Committee.

Any Catholic man can join at any time and become a member of a local MOSJI group. All new members will be called forward to make a formal commitment and receive a membership card at our annual conference.

A majority vote of the Central Service Committee would cause a member to lose his membership.

We encourage the use of the movie "Courageous" as a recruiting tool for young married men. Our website, MOSJI.ORG has a step by step process for a parish to make use of this tool.
